

**Audience Participation**

The Board recognizes the value of public comment on educational issues and the importance of involving members of the public in its meetings. The Board also recognizes the public's statutory and constitutional right to participate in governmental operations. In order to permit fair and orderly expression of such comment, the Board will provide appropriate times and places in the agenda for public comment. If an item is placed on the agenda for action, public comment must be allowed before the Board takes action. The Chair may control such comment to insure an orderly progression of the meeting and allow for public comment.

The Board will also allow individuals to express an opinion prior to Board action on agenda items. The Chair shall first recognize individuals wishing to be heard by the Board. Individuals, after identifying themselves, will proceed to make comments as briefly as the subject permits. Any representative of a firm eligible to bid on materials or services solicited by the Board shall also be entitled to express an opinion. The Chair may interrupt or terminate an individual's statements when appropriate including when statements are out of order, too lengthy, personally directed, abusive, obscene or irrelevant. The Board as a whole shall have the final decision in determining the appropriateness of all such rulings. If the subject matter of the agenda item involves a matter of individual privacy that clearly exceeds the merits of public disclosure, the Board Chair shall receive comments from individuals in executive session.
