

**Consolidated Plan for ESEA Federal Programs: Titles I, II, IV, VI**

Parent and community involvement are positively linked to student and school success and will be a critical part of the Consolidated Plan for the District.

Under the parent and community involvement provisions of the Elementary and Secondary Education Act, 20 USC 2701, et seq., a local educational agency (LEA) operating any of the above federal programs must develop written policies to ensure that citizens have an adequate opportunity to participate in the design and implementation of these programs.

A committee of a broad cross-section of staff, parents and community members shall provide input into the development of the Comprehensive Plan and continues to be involved on, at least, a semi-annual basis in evaluating the plan and adjusting the programs. The committee represents the required groups for all of the federal programs.

As required by the federal programs, school improvement will be validated through both assessment of student achievement and evaluation of the federal program's successes. Data will be gathered in a consistent, organized manner and will be arranged in an understandable format for the general public.

In recognition of the necessity to report the District's success at improving school performance to the public, the Board of Trustees will report on a regular basis the progress that has been made through:

1. Board Meetings;
2. The District's Annual Report Card;
3. Parent/Teacher Conferences (Included in this area are IEP and Section 504 Team Meetings);
4. Fliers mailed to residents, notes sent home and phone calls to parents;
5. Federal Programming Reporting.

All students, teachers and other beneficiaries of District programs are ensured equal opportunity to participate in these programs. The District will make a systematic effort to guarantee that all teachers equally benefit from professional development opportunities and that there will be high student success through guaranteed access and success among teacher and other beneficiaries and ultimately the students.
