

This Position has been Approved for the Quality Educator Shortage Designation with the OPI Loan Assistance Program. This means an Educator hired for this position who applies for college loan assistance would qualify for \$3,000, \$4,000, and \$5,000 loan payments made on their behalf for the first three years teaching at Dayton Elementary School!!

Consider Dayton Elementary School as your teaching adventure. An adventure where you will be adopted by this rural community, welcomed and appreciated. Where you can grow professionally, and benefit a child's life.

Nestled in a rural community somewhat equidistant between Polson and Kalispell, this K-6 school warms the hearts and minds of approximately 80 students. Students are nurtured by five certified teachers, individualized education specialists, a nurse, an admin assistant and a teaching principal. The Dayton Elementary School focus is educating the whole child while improving student academic performance through student engagement, team planning, data review, and systematic intervention. Parent participation is the nugget of Dayton School. No task is too big for them. They prepare one hot lunch each week for kids and teachers; they engage fund raisers to help support the school; and volunteer to help kids grow. As a school community, we take pride in growing healthy children.
