

Student Rights and Responsibilities:

The mission of the District is to assure learning experiences to help all students develop skills, competencies and attitudes fundamental to achieving individual satisfaction as responsible, contributing citizens. As a result of the process of education, each student should clarify his/her basic values and develop a commitment to act upon these values within the framework of his/her rights and responsibilities as a participant in the democratic process. Each year, the Principal shall develop and make available to all students, their parents and staff written statements pertaining to student rights, conduct, corrective action and punishment. Such statements shall be developed with the participation of parents and the community. Parents also shall be advised of their right to review classroom materials and to consent to any psychological testing/treating proposed for their child. The Principal and staff shall confer at least annually to develop and/or review student conduct standards and the uniform enforcement of those standards.

All students who attend the District's school shall comply with the written policies, rules and regulations of the school, shall pursue the required course of studies, and shall submit to the authority of the teacher and the Principal.
