

Student Health and Welfare**Student Health**

The Trustees may arrange each year for health services to be provided to all students. Such services may include, but not be limited to:

1. The development of procedures for the isolation and temporary care of students who become ill during the school day.
2. Consulting services of a qualified specialist for staff, students, and parents.
3. Vision and hearing screening.
4. Scoliosis screening.
5. Immunization as provided by the Department of Health & Environmental Sciences.

Student Welfare

The following guidelines are provided to minimize the occurrence of situations in which staff members may incur liability for their acts with relation to students:

1. Never leave a class of students unattended.
2. Accompany a class wherever it is assigned and remain with the class until another responsible person assumes supervision.
3. Do not permit students to use equipment in the classroom that has not been approved for school use.
4. Do not permit students to use equipment until they have received operating instruction and prescribed safety procedures.
5. Do not permit students to work in a shop, kitchen or laboratory without qualified supervision.
6. Report incidents of unsafe conditions and defective equipment to the Principal immediately.
7. Ensure that proper safety gear is used wherever specified.
