

Student Fees, Fines and Charges

Within the concept of free public education, the District shall provide an educational program for the students as free of costs as possible.

A student may be charged a reasonable fee for any course or activity not reasonably related to a recognized academic and educational goal of the District or any course or activity held outside normal school functions. The Board may waive the fee in cases of financial hardship.

The Board will establish appropriate fees and procedures governing the collection of fees.

A student shall be responsible for the cost of replacing materials or property that are lost or damaged due to negligence. The student and his/her parents shall be notified regarding the nature of the violation or damage, how restitution may be made, and how an appeal may be instituted. The student or his/her parents may appeal the imposition of a charge for damages to the Board.
