

Private Vehicle Transportation

The Board authorizes the use of private vehicles under the following circumstances:

1. The District may request parents to provide transportation for their children to school in their own vehicles on a per-mile cost reimbursement basis. The County Superintendent will determine when "in-lieu" transportation would be advantageous to the District and arranges its implementation.
2. In an emergency, staff may appropriately transport students when a student's welfare is involved, or when due care dictates prompt action.
3. For field trips, the Supervising Teacher (most senior professional) will determine the transportation of students.
4. The owner of any private vehicle must provide proof of sufficient liability insurance.
