

Operation and Maintenance of District Facilities

The District seeks to maintain and operate facilities in a safe and healthful condition. The Board of Trustees, in cooperation with the Supervising Teacher, Fire Chief, and County Sanitarian shall periodically inspect plant and facilities. The Board shall provide for a program to maintain the District physical plant by way of a continuous program of repair, maintenance and reconditioning. Budget recommendations shall be made each year to meet these needs. Any such needs arising from an emergency shall be dealt with at a meeting of the Board of Trustees.

The Board of Trustees shall formulate and implement energy conservation measures. The Supervising Teacher and staff are encouraged to exercise other cost-saving procedures in order to conserve the resources of the District in their buildings.
