

## Upper West Shore Elem. School District #33, Dayton Elementary School

### Review of Safe Return Plan American Rescue Plan Elementary and Secondary School Emergency Relief Funds

**Dear Community Education Stakeholders,**

On March 24, 2021, the Montana Office of Public Instruction (OPI) received from the U.S. Department of Education (USED) the American Rescue Plan Elementary and Secondary School Emergency Relief (ARP ESSER) Funds, authorized under the American Rescue Plan (ARP) Act. The ARP-ESSER provides funding (ESSER III) for Upper West Shore to safely reopen and sustain safe operations of schools while meeting the academic, social, emotional, and mental health needs of students resulting from the COVID-19 pandemic. This marks the 3<sup>rd</sup> round of ESSER funding that our district has received and is available through September 2024.

Following the release of the ARP-ESSER funding, on July 1, 2021 the OPI issued an application template for Districts to share how they will work with stakeholders to leverage ARP ESSER funds to support and positively impact student learning. The following guidance and timelines were set by the OPI in compliance with Federal regulations:

- **June 24, 2021.** Within 30 days of receiving ARP ESSER allocation. Districts must develop and make publicly available a Safe Return to In-Person Instruction and Continuity of Services Plan.
- **July 1, 2021.** District ARP ESSER Plan Template made available to LEAs
- **August 24, 2021.** Districts submit ARP ESSER Plans to the State within 90 days after receiving its ARP ESSER allocation, and also POST on school website.

Therefore, the UWS – Dayton Elementary is seeking public comment on the Safe Return Plan via a short survey <https://www.surveymonkey.com/r/X23LPNK> . Please note that responses will be considered formal public comment.
