August 15, 2023

Dear Parents, Grandparents and Guardians,

On behalf of the staff at Dayton Elementary School, we are excited to welcome the students to the 23-24' school year.

As the summer comes to a close, we are preparing the school for the return of our students. As we plan for a year of growth and continue building our family of Wild Horses, we are looking forward to the meaningful connections this year in the Upper West Shore community.

As a pack of Wild Horses, we run free but more importantly, as a unit!

Thank you for supporting the students' creativity and confidence as they engage in our thoughtful and supportive school community. Please come by to participate in the educational and community events this year, and stay tuned for information on how families can be involved in Dayton Elementary School!

A few reminders about the 23-24' school year:

- The school day begins with students and staff meeting at the flagpole at 8:10 am to honor our school and the National, Tribal and Local communities.
- The staff will communicate regularly through *Class Dojo*. Please feel free to contact the office for more information on how to stay up to date on events and exciting school news.
- Our Library is Open and the books are looking for homes to visit!
- Many of the lessons and class activities are accessible through the Online Platform Clever.
- Students will have a number of field trips and exciting activities during the school year. Stay Tuned!
- Monthly Calendar and updates will be sent to families, but remember to check out our facebook, instagram and website for other community events.

We look forward to an open school year and swing by for a cup of coffee or tea.

Sincerely,

Brycen Ek

Dayton Elementary School, Principal
