Greetings,

I am reaching out on behalf of the **Dayton Elementary Wild Horses Travel Archery Team** to invite your business to support our 4th-6th grade student-athletes as they prepare to compete in the Montana State NASP Tournament. Our team has a strong history of success, earning multiple top placements in Bullseye and 3D shooting events, and we want to ensure that every student has the opportunity to represent our community at the highest level.

Beyond competition, these events provide valuable life lessons for our students, teaching discipline, focus, sportsmanship, and teamwork. Traveling for these state shoots expands their understanding of Montana's geography and history, while also building confidence through engagement with competitors across the state. For many of our students, this is their first opportunity to experience a state-level tournament and travel outside their local community.

We are proud to have received direct support from Montana's Governor, Montana Fish, Wildlife & Parks (FWP), and NASP, including donated equipment and resources. Our program has been featured on two news broadcasts and in published articles, further highlighting the impact of our students' dedication and success.

To continue this momentum, **we are seeking major sponsors. For a \$200 contribution, your business name will be featured on our team jerseys, or for \$350 your LOGO will proudly be showcased at competitions and community events.** Your sponsorship will directly support meals, lodging, travel, and gear, ensuring that our archers can compete without financial barriers to the district.

Additionally, all contributions are tax-deductible through the Dayton School PTO, a 501(c)(3) nonprofit organization. Sponsors will receive the necessary documentation for tax purposes.

Anonymous donations are also appreciated and accepted.

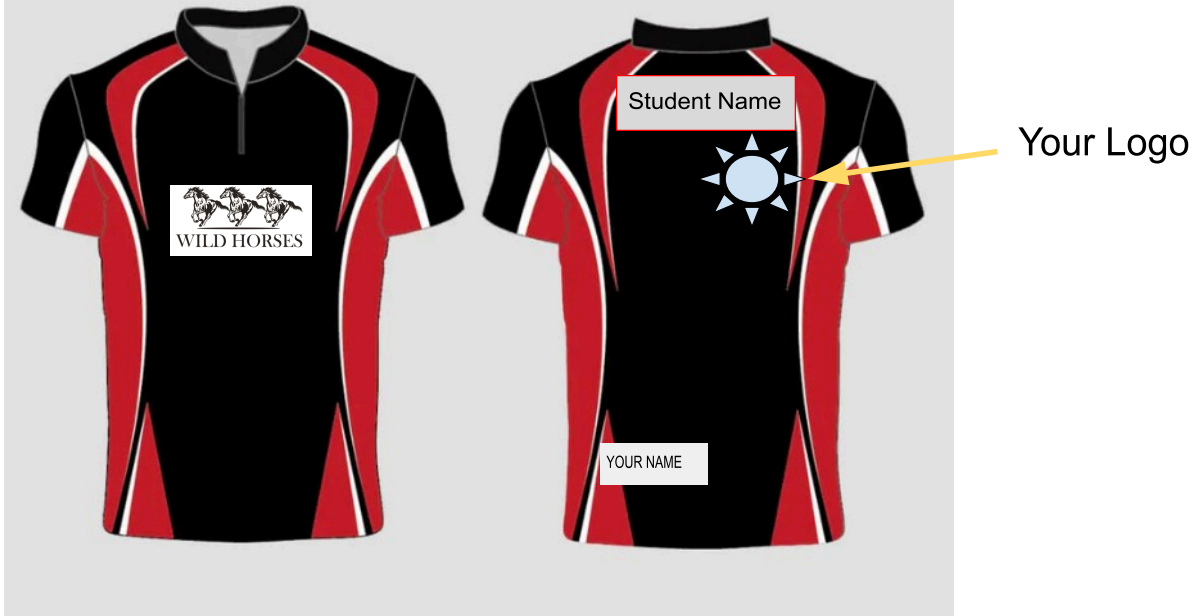

Thank you for your time and consideration—we appreciate your support of Dayton students!

Sincerely,

Brycen Ek  
Principal, Dayton Elementary School
