

DAYTON SCHOOL PICTURE DAY

Dayton Elementary School • Tanna Bondar Photography

Dayton School is excited to welcome Tanna Bondar Photography for our annual School Picture Day! Families may purchase a digital picture package and will receive unlimited access to their digital images.

Student Picture Package

\$30 per enrolled student

Each package includes an individual student portrait, a class photo, and a Dayton School photo, provided as digital copies with unlimited family access.

Multiple Student Discount

Families with more than one student enrolled at Dayton School receive a \$5 discount for each additional student because the family already receives the same school photo.

Siblings in the Same Class

When siblings share a classroom, each additional sibling in that classroom receives another \$5 discount for the duplicate class photo. Each student still receives their own individual portrait.

Cost Breakdown Examples

First student: \$30. Each additional student in a different classroom: \$25. Each additional sibling in a classroom already included in the family's order: \$20.

Family order	Calculation	Total
Two siblings in different classes	$\$30 + \25	\$55
Two siblings in the same class	$\$30 + \20	\$50
Three siblings with two in the same class	$\$30 + \$25 + \$20$	\$75

Families pay only once for each class photo and the school photo. Count each student in only one price category.

Payment Information

Enrolled Dayton students: Pay Dayton School directly for enrolled student picture packages.

Non-enrolled children and family portraits: Coordinate scheduling and payment directly with Tanna Photography. Make these payments directly to Tanna Photography.

FAMILY ORDER FORM

Dayton School Picture Day • Tanna Photography

Family Name: _____

Enrolled Student Name: _____

Enrolled Student Name: _____

Enrolled Student Name: _____

Enrolled Student Name: _____

Enrolled Student Name: _____
